The Willowbrook

GSP's first custom home | Completed 2023 | 3,160 heated sq ft

A flexible response to the site.

THE REQUEST

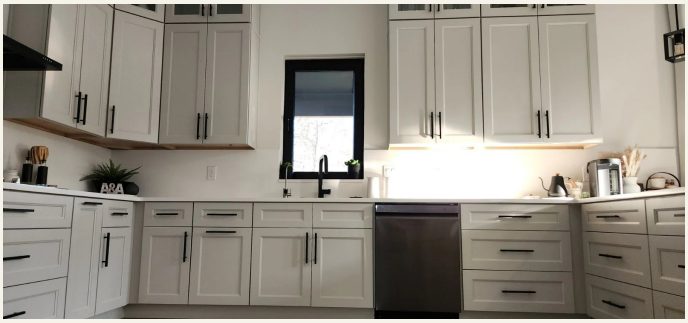

The homeowner wanted the home farther back on the property. That move required a revised septic-system arrangement.

GSP'S RESPONSE

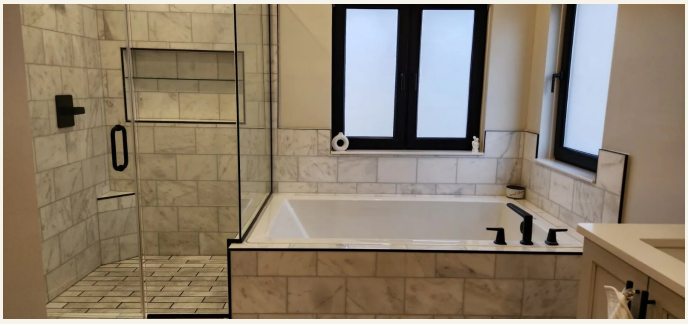

GSP revised the septic arrangement to accommodate the requested placement and handled construction of the whole home.

THE RESULT

The home was built in the requested position and completed in 2023. Inside, tall living spaces, light cabinetry, a stone fireplace and a covered porch give the home its character.

Light cabinetry and a generous kitchen island.

Tiled bathing spaces with dark fixtures.
